### Purpose and Goals

Dear Wrestling Coaches and Wrestlers:

On behalf of Journeymen Wrestling, our clinicians and staff, it is our privilege to invite you to experience the new era of Penn State wrestling. Regardless of your skill level, we promise to give you the opportunity to improve your wrestling prowess through lecture, demonstration, and plenty of on-mat application. Our staff will partner up with the Penn State coaching staff and wrestlers to ensure you receive the instruction you need to become a more accomplished grappler. Please plan on joining us this summer in one of our wrestling camp programs. We are certain that you will not be disappointed.

Best regards.

Frank Popolizio, Camp Director

### General Information

After we receive your deposit, each camper will be sent a confirmation e-mail that will tell you the exact location for registration. **Please be sure to include an e-mail address.** This will be our main source of communication.

We will have as many staff members as possible at each camp. Because of training schedules, we can't guarantee that everyone listed will be at every camp.

Sessions fill up early, so get your applications in soon. Check out will begin after the first morning technical session. We look forward to working with you this summer!

### What to Bring

Bring your own bedding, a pillow, sheets, and towels. Two people will be assigned to each room at check in. Each camper will be expected to supply his own workout gear, shoes, shirts, shorts, singlets, etc.

Bring a supply of Matguard to prevent skin infections. MATGUARD® ANTISEPTIC WIPES contain a patented formulation that has proven to be extremely effective at killing 99.9% of the germs, viruses and bacteria that people involved in athletic and physical activity come in contact with. For orders of Matguard please email Coach Popolizio at Frank@Journeymenwrestling.com or www.matguardusa.com directly.

### Check In and Check Out

Check in is June 4, 10:00 am-1:00 pm. Half the camp will be requested to check in from 10:00-11:30 am, while the other half from 11:30 am-1:00 pm. The camper's geographical location will ultimately determine their assigned check in time. Once registered, we will meet up at the CAGE center at 1:45 pm for our initial meeting followed by our first wrestling session. Session 1 on day one will officially run from 2:00-4:00 pm, so bring your gear, shoes and matguard to that initial meeting, as session 1 directly follows.

Look for and follow "Wrestling Signs" when entering campus.

Check out is June 17 at 4:00 pm. For logistical reasons, we strongly discourage early checkouts. Please check out at the listed time. The first meal served will be dinner on June 14 and the final meal will be lunch on June 17.

### Coach Sanderson and PSU

In the spring of 2009, PSU named national wrestling legend, Cael Sanderson, their 12th head wrestling coach and immediately, the nation looked east as a roomful of already dedicated Nittany Lion grapplers smiled, cheered and geared up for a new era in Penn State wrestling. That new era of wrestling helped produced fast-yielding dividends – Beginning in 2010 all the way through 2013, Penn State Wrestling has won three consecutive national titles; The latest being in Des Moines, IA. Sanderson came to Penn State after three extremely successful years as the head coach at Iowa State. As a wrestler, Sanderson established himself as the most dominant collegiate competitor in NCAA history. In four years, Sanderson never lost. From 1999-2002, he posted a 159-0 career record (going 39-0, 40-0, 40-0 and 40-0); won four individual national championships; won four Most Outstanding Wrestler awards at the NCAA Championships (the only wrestler in NCAA history to do so); became the first freshman in NCAA history to win the O.W. honor and won three Dan Hodge trophies as the nation's best collegiate wrestler (also a collegiate first). The four-time All-American's four-year streak of perfection was called the No. 2 most outstanding achievement in collegiate sports history by *Sports Illustrated*. His wrestling career culminated in 2004 when he won the 84 kg Olympic gold medal in Athens, Greece.

### Camp Description

Talk about the best of both worlds! We have created a combo camp that will take the best elements from a team, technique and intensive training camp. This camp will be great for teams and individuals to establish camaraderie, leadership and mental strength. Everyone knows that wrestling is an individual sport; however, the team element is an essential ingredient in any wrestler's success. We recommend teams come with their full roster in order to get the true meaning of this camp. The camp clinicians and counselors will teach the same cutting-edge techniques and philosophies that are currently being used in the PSU room today. Be prepared for situational live wrestling daily and for tournament-style wrestling! Early-morning runs and session-ending conditioning will challenge your mental psyche and your emotional toughness. This camp will be demanding, however, it will provide the mental and physical tools needed to be champions in the upcoming season.
